Coverage

Les erreurs restantes concernent les espacements et sauts de lignes.
Les erreurs ont été corrigées mais l'analyse Codacy ne tient pas compte des changements.

Set up coverage

See [how to generate coverage reports](#) and start [sending coverage results](#) to Codacy.

Open pull requests

All clear!

When pull requests are open, you'll be able to see here an overview of the status.

Name 	Vendor 	Operation 	Collection 	Call count 	Throughput (cp... 	Avg 	Min 	Max 	Time consum... 
MySQL user select	MySQL	select	user	207	6.90	0.324 ms	0.181 ms	2.23 ms	40.18%
MySQL user insert	MySQL	insert	user	8.00	0.267	7.4 ms	0.257 ms	57.1 ms	35.45%
MySQL task select	MySQL	select	task	50	1.67	0.667 ms	0.228 ms	15.9 ms	19.97%
